"There is nothing more exuberant and life-affirming than variete, that precocious child of broad American vaudeville and classy Old World cirque: The cathartic comedy of old-style clowns (think Chaplin, not Bozo), the daring flights of aerialists, the robust muscles of acrobats, and the bright pageantry of jugglers, dancers, and musicians - Brendan Kiley, The Stranger

COMÉDY-VARIETÈ

2017

DUO ROSE

MARCH 16 - APRIL 9

What is the Moisture Festival?

It's a modern festival of comedy/variété with a Seattle touch. At the end of the rainy season the month-long festival brings joy to our city, getting thousands out of their homes and in from the rain to laugh with friends and neighbors. It's a festival of skill and unusual talents, inspiring awe, laughter and exhilaration when witnessing captivating feats of beauty and daring. Aerialists, acrobats, jugglers, dancers, comedians present the unexpected. It's a welcome thrill with a name befitting a deluge of humor and spectacle!

Growing Community

People of all ages from innumerable walks of life make up the Moisture Festival community.

We continue to steadily grow and improve, presenting over 200 performers to more than 13,000 patrons in more than 50 annual shows. The Moisture Festival venues will include: Hale's Palladium in Fremont, Broadway Performance Hall on Capitol Hill and Teatro ZinZanni - Queen Anne. Approximately 200 volunteers will fill more than 1100 shifts!

Our community has come a long way since opening in 2004 as an all volunteer-run festival, held in a small circus tent in Fremont. We have become the largest, longest-running comedy/variété festival in the world, respected by variety artists from many countries!

"...the Olympics of Ooh and Ahh...just keeps expanding to meet a seemingly insatiable local demand for whimsy, sauciness, low comedy and skillful stunts."

Enriching Seattle

We're thrilled to be entering our 14th year of bringing a diverse and ever-expanding patron base together to experience the joy of comedy/variété, giving variety artists a community and stages on which to perform and strengthening the city's cultural vitality. By keeping ticket prices affordable to all patrons, holding benefits for charitable organizations and presenting educational lectures, our nonprofit proudly turns the fun of comedy/variété into a tangible public benefit. The enthusiasm exhibited by our volunteers, the dedication and pride shown by our staff and the world-class quality of our performances have all inspired an international community of performers and critics to refer to Seattle as a hub for variety entertainment with the Moisture Festival at its center.

"Seattle's Moisture Festival offers a high-spirited remedy to late-winter doldrums."

—Alison Landeros, ParentMap

"...a crowd-pleaser for kids and adults alike."
